

SPINDRIFT

1964

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme . . .

For the structure that we raise,
Time is with materials filled;
Our to-days and yesterdays
Are the blocks with which we build . . .

Thus alone can we attain
To those turrets, where the eye
Sees the world as one vast plain,
And one boundless reach of sky.

DEDICATION DEDICATION

A community that learns from yesterday and uses its newly-gained knowledge today, a community that looks beyond today into tomorrow is a community with power and foresight. This is the community which we have come to know as our own. Thus, it is with a sense of pride that we dedicate our *Spindrift* to those who have provided us with the facilities to expand our horizons in order to meet a demanding world.

Growth is an evidence of life; experiences, acquaintances, struggles are the essence of existence. Finding the adventure, beauty, love and mystery in the world is part of the purpose of life. Each discovery, like a brick in a building, strengthens and completes the structure. Building is not easy; difficulties arise, and just as the architect must discover solutions to the problems appearing on his draftingboard, we, too, must determine the answers. As time passes, we find that the struggle becomes less difficult. Soon the building, perfect in form and architecture, is complete, but the analogy stops here; we will never stop growing.

Untended the mind becomes stagnant, but with encouragement and guidance it flourishes. It grasps at all it's offered and seeks to comprehend the unknown. The teacher is the stimulant in this search. He influences every student he deals with. Just as the workman adds to the construction of the building, the teacher contributes to the development of the student. The individual is altered by his experiences and his acquaintances. The changes in him are intangible and imperceptible, yet present. On a completed building, the work of one man can not be discerned from that of another; in the personality of the adolescent, the effects of one experience can not be distinguished from those of another. The character of the student, like the style of a structure is a blend of influences. The roles of the teacher and builder are privileged ones and to each is attached a heavy responsibility.

Responsibility — we begin to feel its importance. To recognize this is a sign of maturity. No longer can we be entirely dependent upon others. Just as the building will be completed when it is able to accommodate the student body and its needs, we become adults when we accept our problems and attempt to solve them independently and wisely. As seniors, we have begun to make the decisions upon which our futures will be built. These decisions are often far-reaching and affect others as well as ourselves. Thus, in building our own lives we influence our society; each of us takes a part in the continuous re-shaping of the world.

See as you look; listen as you hear; feel as you touch; comprehend as you recognize — all this is vital in attaining your identity. The foundation you build in youth will be altered; this is right, for improvements *must* accompany development. As you mature, all you see will take on new meanings. The simple blacks and whites of truth will disappear, and you will see that they never really existed — truth is complex, profound, and too often evasive. And like the building, which takes on the aspects of its environment, your intellect will expand to encompass the philosophies of other men. Erect a base both strong and flexible, one that will be able to support the opinions you will form and the decisions you will make tomorrow.

SCHOOL LIFE

The smoothness of the paper, the roundness of the pencil are formless until molded by the hand. Listening and understanding are the means, but creating is the purpose of learning. School life is the blend of these two aspects of learning: it is the process of making the thoughts of the brain into the action of the hands. Like the workman who transforms the architect's plans into a functional building, the student transforms the abstract into the concrete. Just as the hand is the link between one mind and the minds of others, the student is the link between the present and the future.

Enough, if something from our hands have power
To live, and act, and serve the future hour;

Dear Oceanside friends,

I am happy to have this opportunity to write to the many wonderful friends I have made during my stay at Oceanside High School.

I wish to say thank you to all who have helped make this year a memorable experience for me.

Through my association with my American family and school friends, I have learned to understand many things about the North Americans. I hope I have brought some knowledge to you of my own country, Nicaragua.

I sincerely hope that the future A.F.S. students who will be coming to Oceanside will find the same spirit of welcome and friendliness that I have.

Very best wishes from your Nicaraguan friend,

Racquel Indiana

Foreign Exchange Students Bring Malaysia and Nicaragua to OHS

Seated: Suri, Barbara, Mr. Rahmat Hussin, Jam, Juni. Standing: Habsah, Etna—Barbara and her Malayasin family.

I feel as though I've experienced a great adventure — a once in a lifetime experience. In addition to having the opportunity to live in a newly born nation on the other side of the world, I was also given the privilege of living in a different culture with its wonderful people.

An endless series of images spring to my mind as I think of my ten weeks' visit to Malaysia. I'll never forget the day that I was first greeted at the airport with a lovely orchid corsage by my family and friends. Or the surprise party

given to me by more than fifty of my friends in celebration of my birthday. Or my visit to the palace where I spoke to the King of Malaysia. Or the beautiful night that we slept on the beach under the palm trees. Or the sadness I felt on the day that I had to leave my "second home and country." The list is endless, as are my memories.

In this way, the American Field Service is a spirit as well as an organization. It is a miracle made up of people from all parts of the globe who are joined together by mutual respect and understanding.

The transparency of the glass, the swinging of the doors open into a world beyond the school itself. The basic structure of the building can have no meaning nor use without them. They connect the outside and inside, reality with unreality. The students live in both worlds. Just as they pass through the doors and see through the windows to the outside, they must relate the abstract knowledge gained in the classroom to the practicality of life beyond the academic environment. Without this, our learning, too, has neither meaning nor value. Activities provide this transition. That which is taught in the classroom is further explored and applied towards solving the problems confronting us. Independent study and co-operative group work are co-ordinated to enable us to prepare for the situations to be met in the future.

G.O. Expands to Meet Increasing Demands

The General Organization is the backbone of student activity. Thus, a successful student government means increased student participation. The G. O. not only sponsored the Kickoff Dance, *Sider Press*, sports events, and other extra curricular activities, it broadened its scope to encompass a growing student population.

This year the G. O. included many innovations in its curriculum. To increase membership, the G. O. gave all homerooms with 100% membership their choice of assembly seats. As a result, the drive reached a high of 70%. In the fall, a pep rally and bonfire before the Long Beach football game were sponsored by the G. O. In March, several posters were put up by the G. O. on the subject of smoking and its effects.

April brought the famed folksinging group, the Highwaymen, to O.H.S. The G. O. and the Key Club co-sponsored this O.H.S. first. In the spring, plans were made to refurbish the new wing of the school. The G. O. purchased several trees and bushes which were planted in the new court yards.

In addition, in order to give the student body an increased voice in their government, three students of the senior, junior, and sophomore classes were appointed to a special committee. These representatives attended committee meetings and brought proposals before the homeroom representatives and the G. O. officers. Thus, with the help of Mr. Harry Waldron, advisor, the G. O. officers and homeroom representatives have made this year a most constructive one for Oceanside High School.

Honor Lies in Honest Toil

The highest honor a student may receive at OHS is membership in the NATIONAL HONOR SOCIETY. Candidates were chosen from the senior and junior classes on the basis of scholarship, leadership, character, and service. Under the leadership of Miss Susan Braca, this year's organization looked forward to future expansion.

Attaining a 92% Regents average entitles a student to membership in ARISTA. This year's 15 members have provided free tutoring for any student requesting such assistance. Under the supervision of faculty advisor, Miss Rosemary Sutman, the members of Arista have justified the honor given them by performing this service for the high school.

Business Students Receive National Honors

The SAILOR SHOP, the local dispensary of school supplies, books, and mid-afternoon refreshments, was in reality a school store laboratory. It was run by distributive education students to implement the merchandising theory that they learned in their classes. Under the supervision of their faculty advisor, Mrs. Harriet Strongin, the students who ran the Sailor Shop learned about buying, selling, advertising, and other phases of merchandising. At the same time, they provided a needed service for the student body and the teaching personnel. Whether it is called a school store laboratory or the Sailor Shop, it was an indispensable part of our high school.

The Oceanside chapter of the DISTRIBUTIVE EDUCATION CLUBS OF AMERICA is a club which aims at developing future leaders for marketing and associated vocations. The members, under advisor, Mrs. Harriet Strongin and President Penny Reckdenwald, learned and carried out the purposes of the club: to develop leadership in the field of distribution, to explore all opportunities for occupations in the same field, and to encourage the use of high ethics. The four diamond points on the diamond-shaped emblem of DECA mean: vocational understanding, civic consciousness, social intelligence, and leadership development.

We That Live to Please, Please to Live

The membership of the school's dramatic society was composed of students who earned a minimum of ten Thespian points while working on the cast or crew of school productions. This year's members of Troupe 132 of the NATIONAL THESPIAN SOCIETY were all active in the production of senior plays and spring musicals during their high school years.

Behind the scenes of "Time Out For Ginger", the assemblies, and all school dances were a group of boys known as the OCEANSIDE HIGH SCHOOL THEATER TECHNICIANS. Through the efforts of faculty advisor, Mr. Stanley Smitten, they learned to use and care for stage equipment. These boys were responsible for the proper lighting and sound in all theatrical events. They played an important part in all dramatic productions.

Language is the Art of

Inter Nos, Saturnalia, and Peregrinator were words quite familiar to Latin Club members. *The Inter Nos* was the club newspaper, which was edited by Tom Dalva. This year the club was the host of all of Nassau County's Latin Clubs at the feast of Saturnalia. Also, the club installed pools and decorated Peregrinator, the gargyle, with mosaics.

This year, the FRENCH CLUB was open to all students who had an interest in the French language or French culture. Early this fall, a trip was taken to New York City to see the stage production of *Berenice* by Racine starring Marie Bell and Company. French slides were shown at a meeting, and a gala Christmas party was enjoyed by all. Under the supervision of Miss Claudette James, the faculty advisor, and President Carol Sherman, the French Club published a newspaper, *Les Jeunes Francais*, which was entirely composed by the students.

Ruling the Minds of Men

Under the direction of Mrs. Heide Campbell and President Steven Lane, the GERMAN CLUB aimed to further the students' knowledge, understanding, and appreciation of the German language and its customs. Last fall, members of the Club sold root beer and pretzels to students. Prizes were awarded to lucky pretzel holders. The members also enjoyed themselves at their annual Christmas party.

The SPANISH CLUB tried to instill in its members a greater understanding of the Spanish countries. The group's activities included a pinata party (Spanish Christmas party), discussions with speakers from Spanish countries, and the publication of a newspaper. Under the guidance of Mr. Frank Young and president Linda Ross, the members increased their knowledge of Spanish culture.

“Sider Press” Mirrors the Life

Harry Levine
Co-Editor-in-Chief

The *SIDER PRESS* editors worked in a “fish-bowl” type situation this year in their temporary office situated behind glass doors in the main hallway. Three staffs worked autonomously to write stories in the categories of news, feature, and sports. Photographers and cartoonists were utilized by each of these departments. The business staff under the direction of Mr. James Benedict, solicited ads. The circulation staff distributed the papers. Under the advisorship of Mr. John Higgins and the leadership of Editors-In-Chief Harry Levine and Janet Potter, the *Sider Press* had a successful year. It reflected the views of the student body and exercised influence through its timely editorials. A public bulletin board was a new innovation this year as a result of a *Sider Press* editorial.

“Spindrift” Strives to Build

J. Roth, I. Blumenthal.

To start with hard, unbroken earth, steel and tools, and to construct a building — this is to have a purpose. In a like manner, to start with paper, pencils, pictures, and a pair of croppers, and to create a book — this is to have a goal. With toil, love, and skill, a worker sets out to build a structure. Similarly, the *SPINDRIFT* editors, Carol Sherman, Rose Marie McDonald, and Eve Silver-

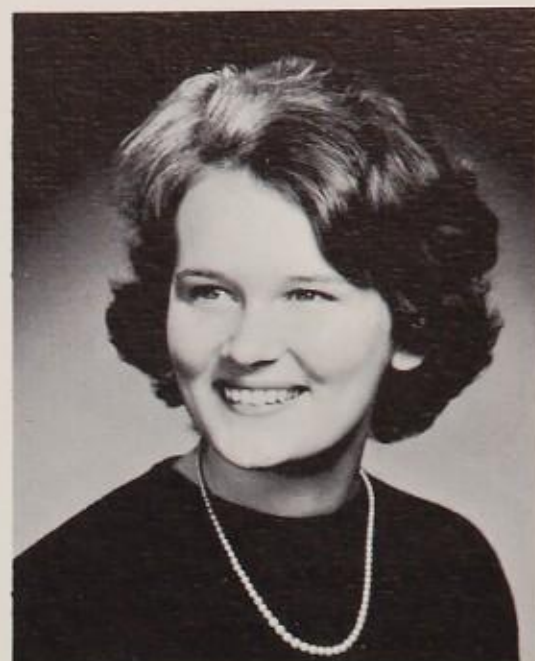

stein, under the direction of Mr. Barden, have also attempted to develop a record of the events of the 1963/64 school year. This thirtieth edition of the *Spindrift* is the completed building, in a sense, the culmination of much work and fun. It is with enthusiasm and pride that we have created a book of memories for a growing school and community.

“Lens” Provides Creative Outlet

In June, Oceanside High School presented the LENS, our literary magazine. The students were responsible for the complete production of the *Lens*. The original poems,

essays, short stories, and artwork were composed by talented students. The staff, under the direction of Michael Harwood, editor, and Mr. Philip Scott, advisor, contributed and corrected material used in the magazine.

LENS STAFF — Seated: C. Greenberg, M. Levy, M. Walton, D. Kirsch, E. Brandt, L. Katz; Second Row: R. Boronowitz, M. Alexander, C. Schultz, J. Moscow, R. Krieg, G. Cheifetz; Third Row: K. Shaw, J. Greenman, R. Lupi, F. Lederer, S. Fischer, T. Goldstein.

OHS Students Earn Music Honors

Oceanside was fortunate this year to have several representatives of the music department perform at the Nassau County Sectionals and All-State musical conference. The vocalists who achieved this recognition included: Ellen Brandt, Frank Cantwell, Nancy Jackson, James Martin, Judy Nicosia, and Mary Walton. In addition, Ellen Brandt received the honor of representing

Oceanside in the All-State Chorus for her second consecutive year.

From the band and orchestra, four members participated in the Sectional concert: Larry Davies, Chester Feldman, George Simmons and John Wolcott. The All-State Orchestra chose Chester Feldman to appear as one of its cellists. Both All-State concerts were held at the University of Rochester, Rochester, New York.

Music Brightens

Directed by Mr. Alan Segal, the members of the Oceanside High School ORCHESTRA studied rhythm, scales, and tone as well as free musical expression. They then performed their skills at a series of chamber concerts in the new little theater. The group also participated in a field trip to the Metropolitan Opera House, where they witnessed a working rehearsal of "Otello".

Oceanside High School's BAND devoted its musical talents to the service of both the students and the community. The band entertained at all home football games and school assemblies. It also kept up the Oceanside tradition of marching in the Memorial Day parade. In addition the band performed on a new radio show "Youth and Music" which was produced by band director, Mr. Alan Segal.

Daily Routine

Under the direction of Mr. Jack Race, the GIRLS' GLEE CLUB provided Oceanside students with many hours of pleasant music. Meeting after school, the girls practiced their programs for the holiday and hootenanny assemblies. They also gave a very successful performance at their annual spring concert. The girls learned singing fundamentals such as correct breathing and tone control.

Singing both classical and folk music, the CONCERT CHOIR performed to delighted audiences at both musical assemblies and at the spring concert. They were seen harmonizing in new choir robes, the results of an extensive candy sale campaign. Conducted by Mr. John Race, these polished performers enjoyed their recitals as much as did their avid listeners.

Students Prepare

Scientists of the future created an intellectually-charged atmosphere in the chemistry lab on alternate Wednesday afternoons of this year. The JUNIOR ENGINEERING TECHNICAL SOCIETY was a group dedicated to the goal of promoting interest in the engineering sciences and mathematics. Under the leadership of President David Greenfield, the club made trips to the Brookhaven National Laboratories to study the atomic reactor and to the Long Island Lighting Company. The group under the supervision of Mr. Flocco, cooperated with nearby schools in order to take advantage of the wider speaker exchange program.

Members of the FUTURE TEACHERS OF AMERICA CLUB learned much this year about their chosen profession through discussions, films, and conferences at various high schools. Its able advisors, Miss Short and Mrs. Sullivan, introduced the girls to many exciting and interesting fields of education through guest speakers and field trips. The group attended a training center at Hofstra this year. The experience and guidance the girls gained from the activities of this club will profit them in their chosen profession.

FUTURE TEACHERS OF AMERICA — *Front Row:* R. Montagnino, J. Thompson, J. Aronow (Par.), S. Ohringer (Treas.), A. Lutzky (Vice-Pres.), A. Kraus (Pres.), M. Cohen (Hist.), S. Greenburg (Sec.), C. Rothenberg, T. Wetrogen. *Second Row:*

for Future Professions

Nurses at the South Nassau Communities Hospital were fortunate. Many of the small, time-consuming, yet very necessary tasks that have to be performed for the comfort and well-being of the patients were assumed by the CANDY STRIPERS. These capable girls, who worked as volunteers, qualified for their jobs by taking a three-day training course. Through their work this year, they gained excellent first-hand knowledge of the nursing profession. Working at the hospital also provided a wonderful opportunity to help others.

This year, Oceanside's FUTURE NURSES OF AMERICA CLUB celebrated its tenth anniversary under the leadership of President Kristi Schrader and faculty advisor, Mrs. Smitten. The constitution defined the group's purpose as follows: showing girls what nursing requires and what it offers; interesting students in personal and community health; and aiding in making decisions concerning the nursing profession. Lectures were given by registered nurses on various aspects of the nursing profession. In December, the girls visited the Holly Patterson Nursing Home, where they sang Christmas carols and distributed gifts among the patients.

Science Clubs Explore New Theories

Bacteriology, morphology, ecology, zoology and botany are the interesting aspects of biology which the club studied.

Accompanied by faculty advisor, Mr. Kearney, the BIOLOGY CLUB visited the Museum of Natural History and Fordham University as a geological field trip. Other trips took the club, headed by President Roy Tammaro, to Tacapusha, the Bronx Zoo, and Belmont Lake State Park.

Oceanside's LEO CLUB was formed to promote an interest in astronomy and provide a meeting place for those already interested. Leo is an abbreviation for League of Empyrean Observers. Led by President Dave Jaspen and faculty advisor Mr. Saia, the club printed the "Leo's Roar", the only magazine of its kind on Long Island. The club's outstanding project was the filming, recording, and, later, studying of the eclipse of July 20, 1963. A lecture about the eclipse was then given to the student body. Members also attended lectures at the Hayden Planetarium and night observation meetings were held.

LEO CLUB — *Front Row:* D. Jaspen (Pres.), H. Bergman, M. Gutman (Sec.-Treas.), S. Westfield, D. Schoolskey, D. Rosen, C. Callis; *Second Row:* M. Ezratri, G. Kent, R. Phillips, R. Krieg, A. Wenger, D. Taubman, D. Eichenbaum, M. Gottlieb.

MATHLETES — Seated: R. Wolf, C. Kramer (Sec.), M. Boyle (Vice-Pres.), R. Lupi (Pres.), D. Greenfield (Treas.), W. Snyder, L. Steckler; Second Row: D. Winters, L. Ruben, L. Wecker, B. Burrows, A. Marin, K. Wilkes, S. Abelow; Third Row: T. Meltzer, S. Lawrence, R. Phillips, T. Schwartz, M. Goldstein, P. Weckstein.

Under the able leadership of President Robert Lupi and faculty advisors Mr. Martin Rudolf and Mrs. Judith Wise, the MATHLETES completed a very successful year. The team competed against Baldwin, South Side, Roosevelt, and Freeport High Schools in trying to solve difficult mathematics problems. The members of the Mathletes constituted Oceanside High School's chapter of Mu Alpha Theta, a mathematics honor society. During the course of the year, guest speakers appeared at bi-monthly meetings to discuss advanced mathematic courses, different number systems, and other related mathematic topics.

The Oceanside High School meteorological association's purposes were to acquaint its members with the intricacies of weather forecasting and to supply daily forecasts to the student body. Under Faculty Advisor Mr. Kearney and President Fredric Lederer, the WEATHER CLUB made accurate weather predictions. In fact, their record of accuracy surpassed that of the United States Weather Bureau.

Weather Club: D. Hoffman, F. Lederer (Pres.), J. Snider, A. Ellman, M. Novom.

"Service above self" is Oceanside's INTERACT CLUB's motto. Led by President Stuart Schiff, the club lived up to this credo. For Christmas, it adopted a family. Throughout the winter, it helped with the Oceanside Recreation Department's ice skating program. It sold refreshments at all athletic events. In addition, the club provided a mailing system through which

greeting cards could be sent to students in the high school and annex. The boys also compiled a booklet containing directions to all Oceanside schools from several major points. The *Interacter*, a newspaper put out by the club, traveled to other interact clubs throughout the world.

INTERACT CLUB — Front Row: P. Brickman, A. Kaplan (Sec.), S. Schiff (Pres.), M. Goldsmith, K. Gelman, D. Greenberg; Second Row: K. Mayer, R. Clayson, F. Lederer, D. Hoffmann, R. Lupi, W. Schneider.

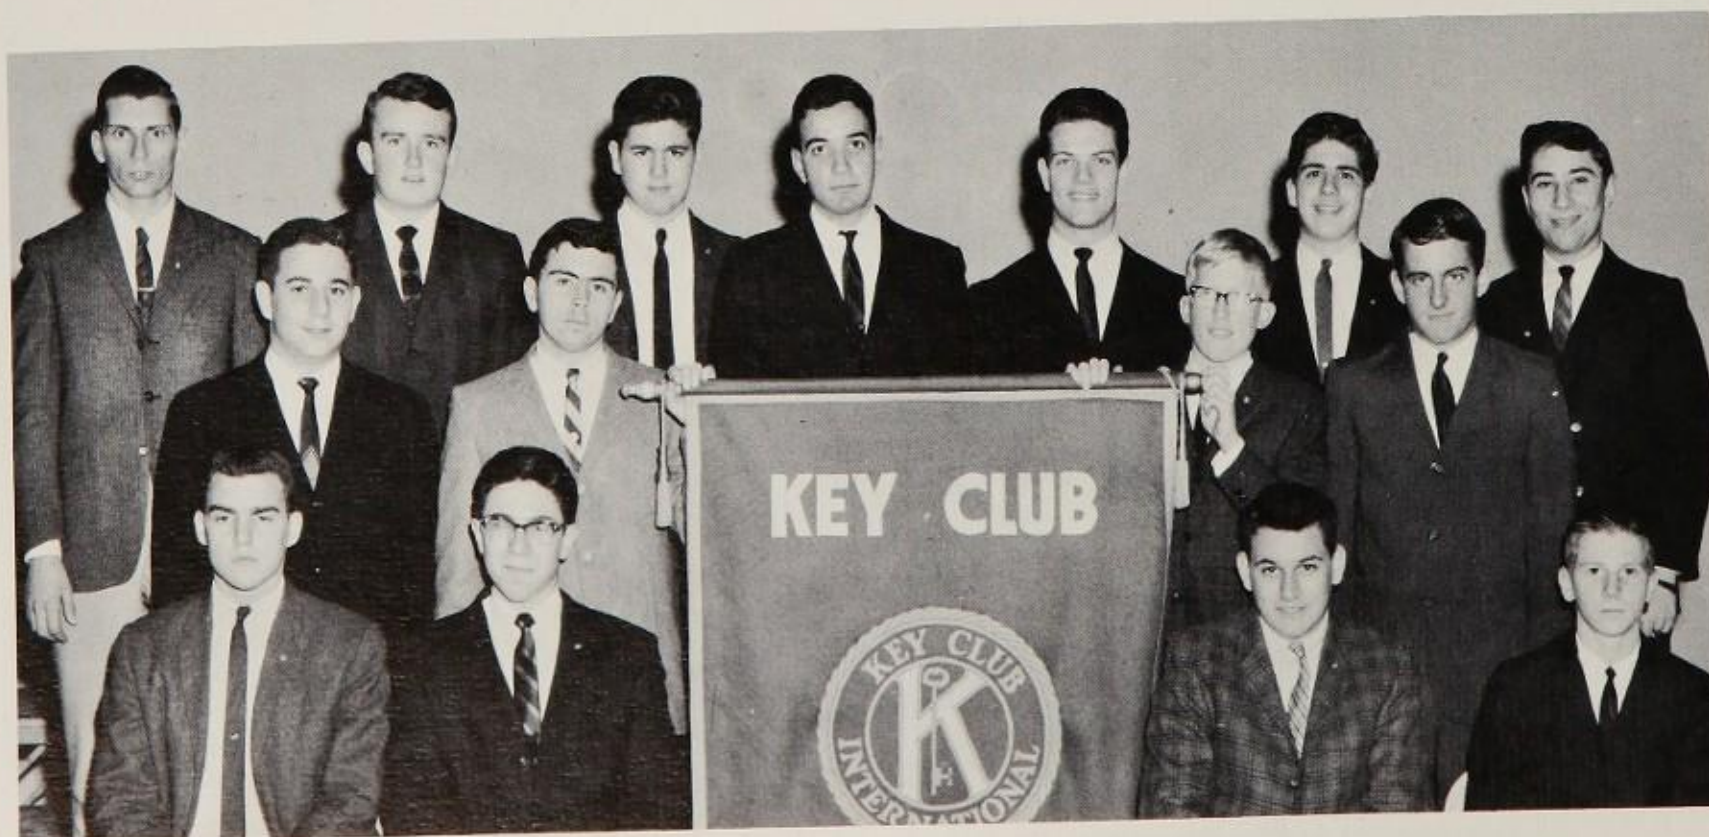

KEY CLUB — *Front Row:* N. Sklar, S. Cohen, J. Rubens, S. Zippen (Treas.), H. Levine (Pres.), L. Rose (Vice-Pres.), H. Broder (Sec.), D. Greenfield (Sgt.-at-Arms), M. Press, J. Bolzer; *Second Row:* G. Sherman, P. Bonfonti, O. McElroy, J. Gale, K. Wilkes, L. Sklar, K. Laguna, R. Lantelme, M. Wels,

The KEY CLUB, under the leadership of President Harry Levine and adviser, Mr. Paul Arms, continued to provide service to the school and community by following its motto, "We Build." It provided the student body with the Scholarship Bowl Assembly, Leadership Banquet, ushering at assemblies, and the sale of refreshments at home athletic contests. Night meetings once every month with guest speakers were initiated. Working closely with the Key Club, the Kiwanis Club of Oceanside sent two members to the Key Club International Convention in Pittsburgh. The boys were largely responsible for the distribution of Thanksgiving baskets to the needy families of Oceanside and clothing to a less fortunate school in Brooklyn. The adoption of a Foster child in Hong Kong was provided for by a successful fund-raising drive.

Light is the Task When

The members of ISLAND PARK KEY CLUB received special recognition this year for collecting a large sum of money from their town for the annual Cancer Care Drive. A similar campaign for the March of Dimes was also conducted. To raise funds, the group sponsored a Valentine Dance. In addition, the club participated in the Island Park Career Day. On this day, members took the place of town administrators. All of these worthwhile and successful activities were under the leadership of adviser Mr. Martin Garber and President Richard Kramer.

ISLAND PARK KEY CLUB — *Front Row:* A. Dixon (Vice-Pres.), R. Kramer (Pres.), R. Cohen (Sec.), J. Grillo; *Second Row:* L. Luskoff, G. Beck, K. Harms, J. Sturiano; *Third Row:* E. Martenson, G. MacLeod, P. Georjakis, S. Grasson, H. Moskow, J. Charlton, J. Wilky.

Filler, F. Williams, D. Hudias, C. Ringler, S. Ohringer. *Third Row:* B. Geitheim, V. Klein, E. Match, J. Cohen, S. Cohen, S. Greenberg, M. Kaplan.

Many Share the Toil

Stimulating interest in home games and promoting school spirit were the aims of the GO-GETTERS. President Lynne Schechter led the members of this organization in the sale of tickets to home football and basketball games. Through this service, the Go-Getters helped to create a spirit of enthusiasm at all of our athletic events.

Girls with spare time and a desire to help others joined the SERVICE CLUB this year. They obtained funds through the sale of donuts, pencils, candy, and stationery. Proceeds from one of the highly successful donut sales were donated to the building fund of South Nassau Communities Hospital. At Christmastime, the girls stuffed stockings with useful items for the patients at Northport Veterans' Hospital, and in the spring they filled gift boxes for people in depressed and disaster areas. President Patti Switzer, and faculty advisers Miss Rapp and Miss Fitzgerald all agreed that the group had a very successful and busy year.

Posters Galore! were produced by the ART SERVICE CLUB. This club, led by Mrs. Louise Pollard, used the talent of our high school's gifted art students for the benefit of the school. The members worked extremely hard making posters for our school dances, shows, and other activities, both scholastic and athletic.

After two years of inactivity, the BOYS' LEADER CORPS became a functional part of our physical education program. Under the direction of the physical education teachers, the boys led exercises, recorded marks, took attendance, and assisted in all activities. The club was comprised of the physically fit boys of Oceanside High School.

Active since 1957, the USHERETTES CLUB, under the direction of Miss Pouring, completed another successful season of service. The girls in this organization worked hard to make our plays and other functions more enjoyable. Their graciousness enhanced all our high school events. As Miss Pouring said, "All a girl needs to join Usherettes is a pleasant smile, a cordial disposition, and a willingness to serve Oceanside High School."

Knowledge of Foreign Lands Brings Understanding

President Steve Herman and adviser, Mr. Nicholas Voulangas, led the WORLD INTEREST CLUB in a most profitable year. Topical movies were shown, and a field trip was taken to the South African Mission to the United Nations. In addition, the club members organized a schoolwide drive for second-hand clothes to aid American Indians. Through discussions, the members of the club became more aware of the necessity for understanding between the peoples of the world.

The AMERICAN FIELD SERVICE is an organization which sponsors the exchange of students between the United States and foreign nations. Through this student exchange, the A.F.S. hopes to contribute towards world peace as expressed in its motto, "Walk together, talk together, ye peoples of the earth for then and only then will ye find peace."

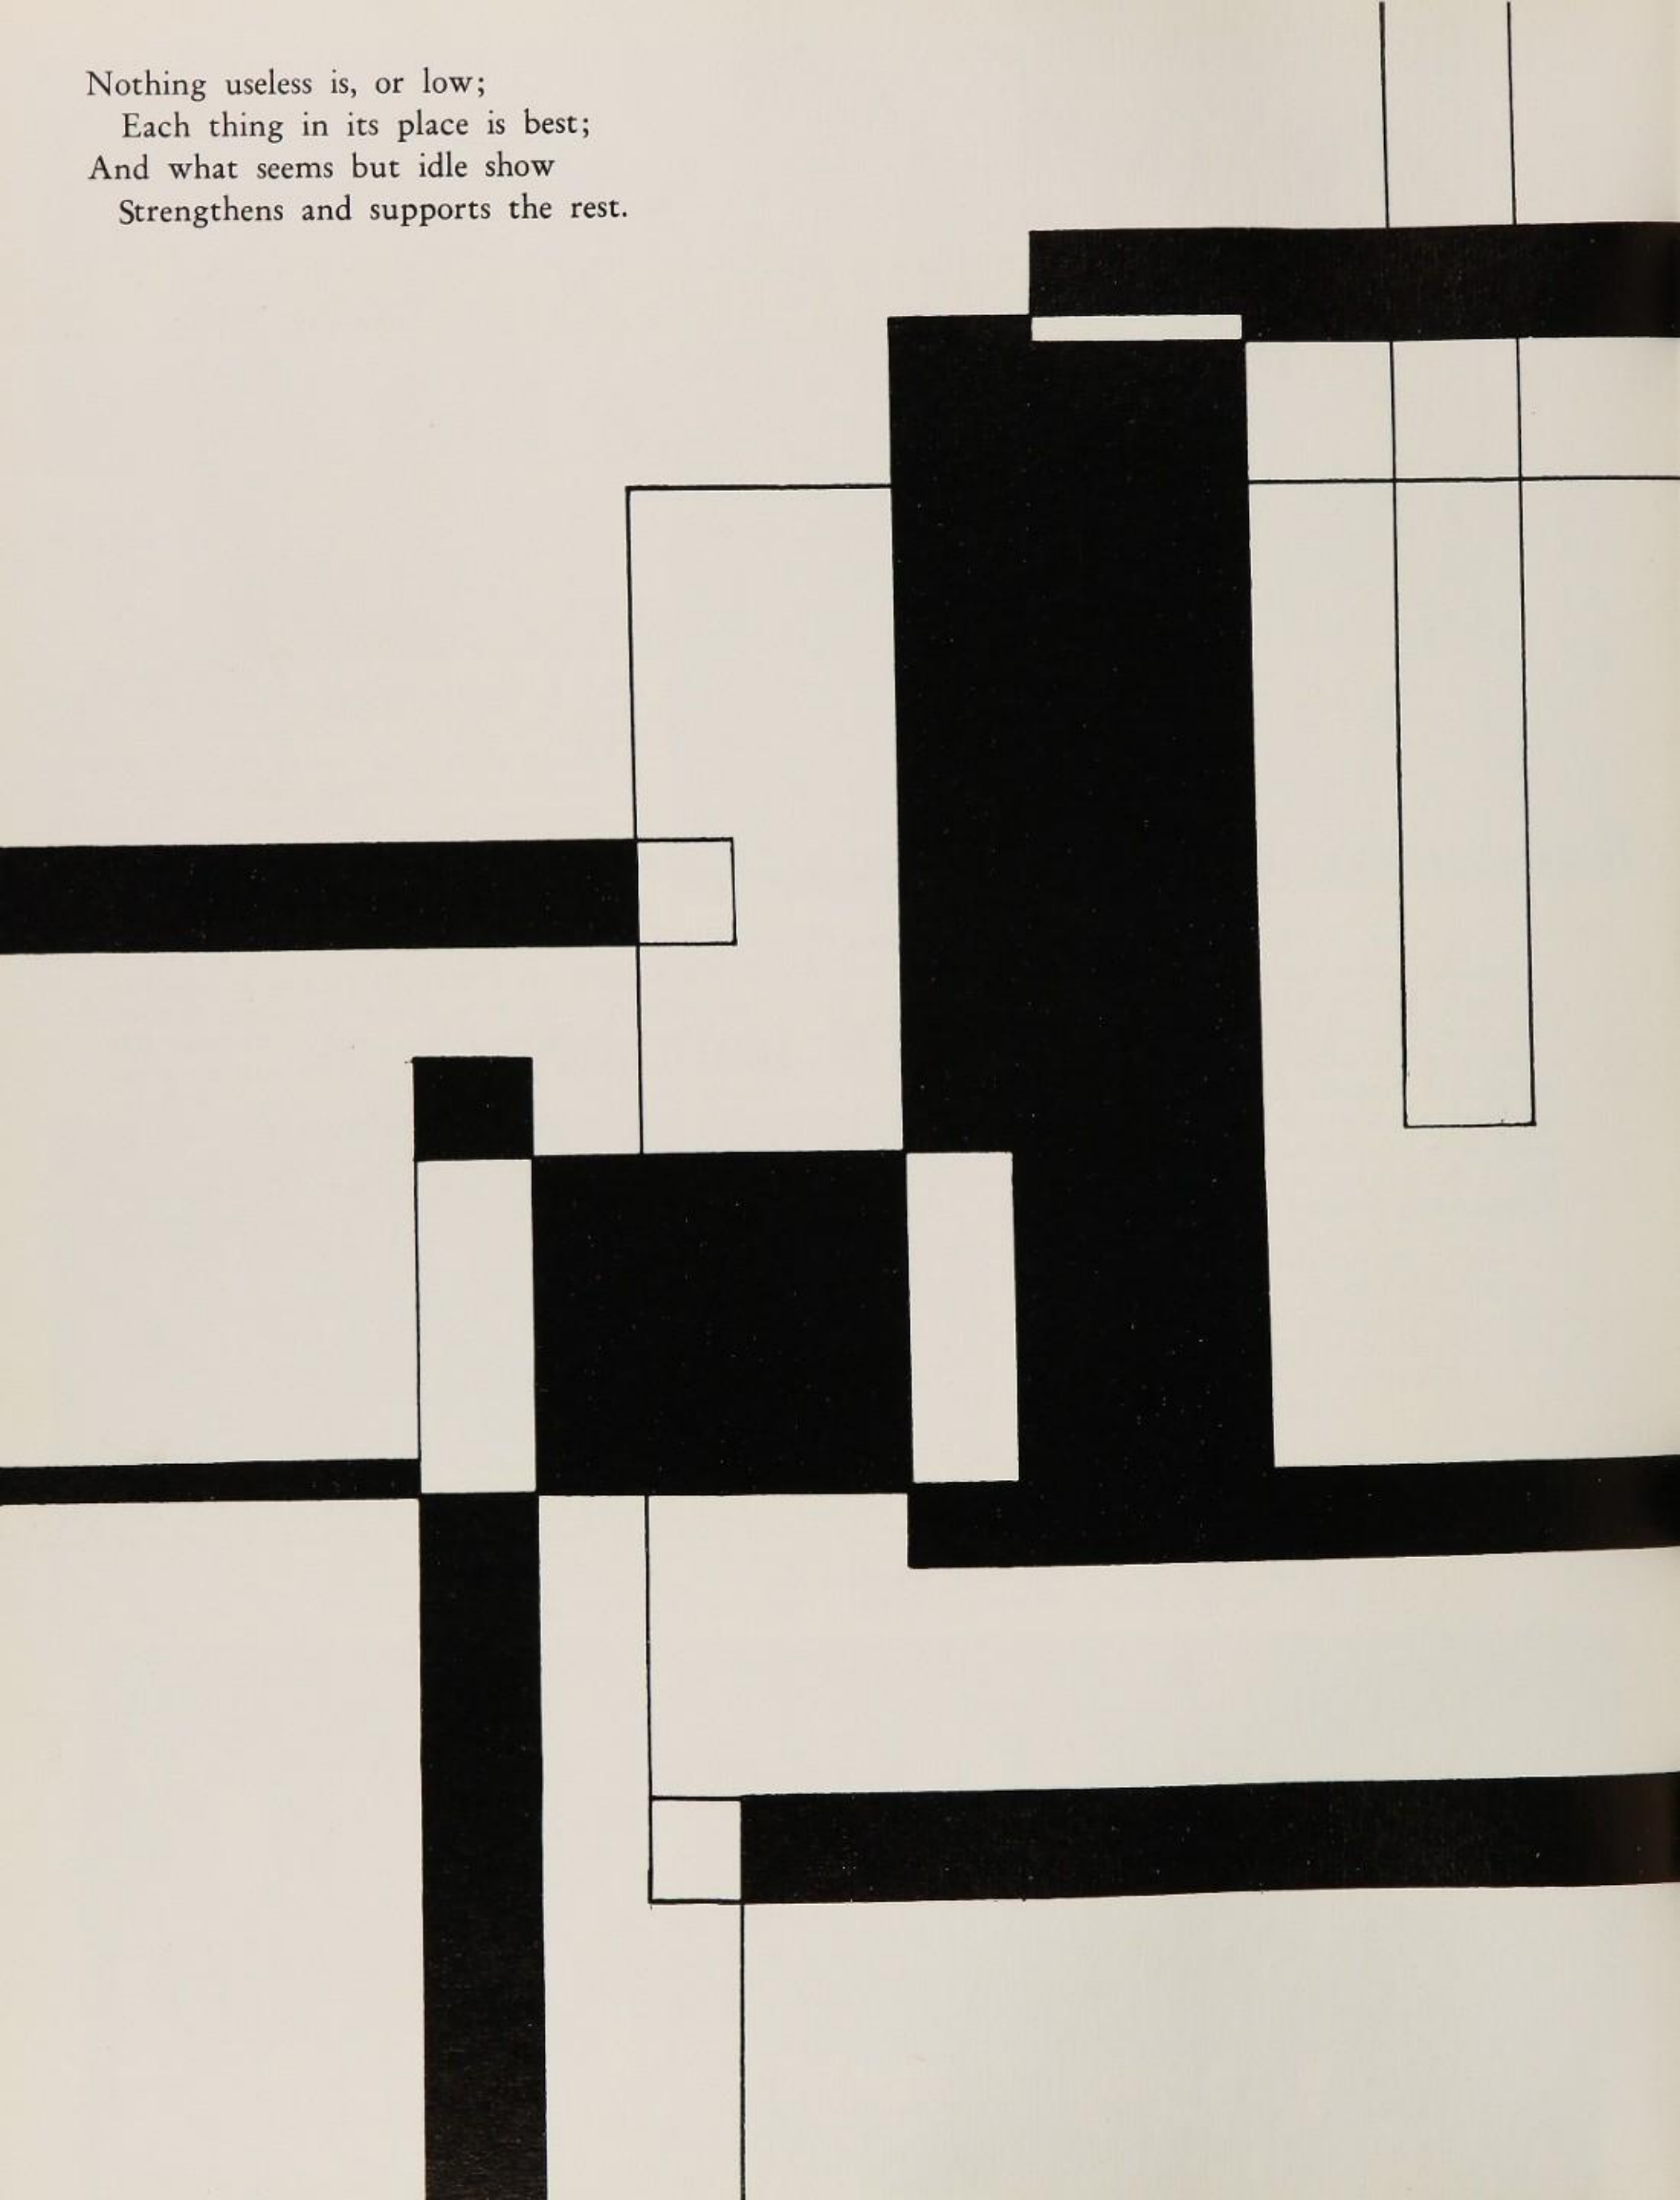

Raquel Solorzano, from Managua, Nicaragua, has been our exchange student at O.H.S. for this year. She has lived with the family of Linda Fazio, a junior, in Island Park.

Last summer, Barbara Helmcke traveled to Malaysia under the American Field Service. She lived in Malaysia's capital, Kuala Lumpur, with the family of Rahmat Hussin.

ATHLETICS

The purpose of sports is to develop character and to give participants not only strength, but also the insight necessary to channel that strength wisely. The true athlete knows that power is good only when used to build and improve, rather than to defeat or destroy.

O, it is excellent,
To have a giant's strength;
But it is tyrannous
To use it like a giant.*

The might of the sportsmen must be employed with prudence. Like the shell of our new building, it must be able to withstand the harshness of the elements and yet not overpower its surroundings. Athletics are essential to the proper development of this strength.

GIRLS' ATHLETICS

Active in all phases of girls' physical education was the GIRLS' LEADER CORPS. The girls assisted the gym teachers by taking attendance, leading exercises, demonstrating various skills, and helping their fellow classmates. They also served as managers and officials in

intramural sports after school. Supervised by adviser, Miss Manette Fokken and President Ann Johnson, Leader Corps hosted at the Long Island Cheerleading clinic, composed of more than eight hundred cheerleaders. Leader Corps also performed an intricate bamboo dance for Sportnite.

Varsity CHEERLEADERS — L. Zinkofsky, K. Howard, E. Silverstein, J. Markoe (Co-Capt.), J. Shevlin (Capt.), S. Rothston, J. Serrell, B. Jackson.

Varsity and Junior Varsity Cheerleaders

A bonfire pep rally was the highlight of the activities of this year's Varsity and Junior Varsity CHEERLEADERS. The success of this rally was proof of the large part played by the cheerleaders at Oceanside Pms, posters, and plenty of cheering stirred enthusiasm at all games. The Varsity cheerleaders aroused winning spirit

as they cheered our soccer team to the Nassau County Championship. The cheerleaders, under the leadership of Varsity captains Joan Shevlin and Judy Markoe, Junior Varsity captains Sue Leavy and John Decker, and adviser Mrs. Evelyn Cherry, did an outstanding job to promote school spirit and good sportsmanship.

JUNIOR VARSITY CHEERLEADERS — Front Row: S. Leavy (Capt.), J. Decker (Co-Capt.); Second Row: F. Orsay, C. Ceraldi, J. Berg; Third Row: S. Yale, M. Kane, A. Caulfield, E. Backus, L. Frank.

DRILL TEAM — *Kneeling:* S. Greenberg (Capt.), S. Waag (Co-Capt.); *Front Row:* J. Zakon, F. Williams, R. Biondo, D. Flanary, J. Roth, W. Block, A. Groth, P. Chilton, E. Mendelsohn, D. Brown, M. Polin; *Second Row:* M. Priola, F. Feinberg, D. Hawkins, J. Brunnhoelzl, B. Mitchell, M. Malamet,

P. Beck, J. Seville, S. Feit; *Third Row:* J. Thompson, D. Gerard, L. Schaeffer, C. Henri, E. Pearl, J. Wyman, O. Longo, A. Roeder, M. Rose; *Fourth Row:* E. Horowitz, A. Berger, S. Schyab, B. Geithelm, E. Match, C. Rothenberg, L. Rubin, M. Hutchinson; *Fifth Row:* L. Yanas, L. DiGiovanna, P. Reckdenwald, L. Ash, R. Freeman, J. Ward; *Missing:* R. Brause.

Drill Team

Those girls who marched onto the field during half-time to provide entertainment on several chilly October days were the Oceanside High School DRILL TEAM. They performed at both home football and basketball games. Under the supervision of Mrs. Gail Sherman, they entertained the spectators with their marching performances. In order to raise money for new uniforms they sold shakers and programs. In addition, they helped to increase spirit at competitive games.

Twirlers

Fire-twirling, selling programs, and performing at both football and basketball games were the main activities of this year's TWIRLING TEAM. On several occasions, drum majorette, Kathy Bruzzo, graced Oceanside High School's largest squad by doing a fire-twirling routine. Under the leadership of Carol Forrer, the twirlers sold programs at the Celtics-Knicks basketball game to raise money for new uniforms, and they formulated the policy of performing at home basketball games as well as at home football games. The faculty adviser, Mr. Allan Segal, helped the team to innovate these new activities.

TWIRLERS — *Kneeling:* L. Gunnerson, L. Lehman, B. Meers, P. Trenz, S. Lobalbo, K. Hazel, K. Monahan, M. Schlesinger; *Standing:* C. Robbins, S. Rubin, L. Wecker, C. Bruzzo, C. Forrer (Capt.), B. Koehle, C. Murphy.

HOCKEY — L. DiGiovanna, J. McCumisky, C. Henri, S. Buchman, M. Brennan, V. Urbanik, G. Grable, J. Strassenreiter, B. Jackson, L. McLean, J. Silken, D. Flanary.

Field Hockey

Intense instruction and practice enabled the girls' FIELD HOCKEY team to perform well in competition. Under the coaching of Mrs. Gail Sherman, the girls played against such high school teams as Hewlett, Valley Stream Central, and Lawrence. The girls ended their season at the Honor Sports Day held at Malverne High School.

Tennis

The girls' TENNIS team, coached by Mrs. Cherry, developed their technique during both the fall and spring. Agility is one of the most important essentials in tennis. The girls' honor team exhibited competence in matches with other L.I.G.A. schools.

TENNIS — S. Rider, J. Blandon, K. Klein, V. Bunze.

BASKETBALL — *Front Row:* W. Sutherland, D. Krol, G. Orzano, J. Silken, J. Strassenreiter, V. Bunze; *Second Row:* G. Grable, S. Buchman, S. Rider, E. Match, K. Zackerman, E. Breen, D. Schoolskey; *Third Row:* P. Scully, C. Henri, J. McCumiskey, K. Klein, J. Henderson, S. Preiser, V. Urbanik, P. Landers.

Basketball

Skill, excitement, and practice were all a part of this year's girls' BASKETBALL season. Coached by Mrs. Sherman, the girls learned new techniques and improved those already developed. Excitement made basketball more enjoyable as well as more competitive. The drills were, as the girls put it, "exhausting", but worthwhile.

Volleyball

VOLLEYBALL, which falsely gives the appearance of being an easy sport, is actually a game of highly developed skill and strategy. The girls' volleyball team, under the direction of Mrs. Sherman, executed their proficiency against such high school teams as Hewlett, Lawrence, East Rockaway, and Valley Stream Central. They climaxed a successful season by placing in tournaments at Sewanhaka High School and Lawrence High School.

VOLLEYBALL — J. McCumiskey, C. Henri, S. Rider, J. Brunnhoezl, H. Emmet, B. Jackson, J. Strassenreiter.

Modern Dance

Under the direction of Mrs. Cherry, the girls' MODERN DANCE group displayed constant development of muscular control, agility, and grace. Concentration on the basic techniques enabled the girls to skillfully combine the modern dance movements. The girls were able to interpret the music themselves and develop highly creative dances.

Bongos
“N”
Blues

As the sun rose on the Carribean, the 1964 BLUE TEAM proudly marched forth to represent island villagers from their native land. With the bongos sounding in the distance and the scent of tropical flowers, all knew that Blue's fiesta had begun. Native dancers, under the direction of Geri Slattery, dazzled the audience with their exotic performance. The native Blue team boys worked from morn 'til moon building a banana boat to sail the Blue seas. Colorful calypso cheerleaders and songleaders displayed their natural talents, and as the sun set, Blue and White combined to end a joyful fiesta.

Whites of the Round Table

From their kingdom of Whiteshire, the White Knights proudly marched onto the battlefield as Sportnite '64 opened. The jovial-jesting-cheer-leaders and merry-making-minstrel-songleaders guided the way as knights filled hearts with joy and song. The regal kings mixed a mighty potion of power and spirit so the courageous knights could slay the twelve-foot blue dragon. In the dance competition, the maids of the court cleaned the castle halls to prepare for the feast after the great battle. To prove their true friendship and high regard for Blue team, the Whites presented Blue with a royal velvet crown.

New Girls' Gymnastics Program Introduced

This year GIRL GYMNASTS competed in several meets. They spent many hours perfecting routines for competition against Baldwin, Hempstead, Uniondale, Valley Stream North, and Carle Place high schools.

Emphasis was placed upon the Olympic activities — Balance Beam, Uneven Parallel Bars, Horse Vaulting, and Free Exercise. The rings, even parallel bars, and trampoline were also used.

Donna Hawkins was selected as the Outstanding Senior Gymnast. This honor afforded her the opportunity of presenting a solo performance for Sportnite.

TRACK AND FIELD — M. Meehin, J. Silken, P. Scully, E. Spiegel, C. Henri, N. Levy, A. Schaffmeyer, G. Slattery.

Track and Field

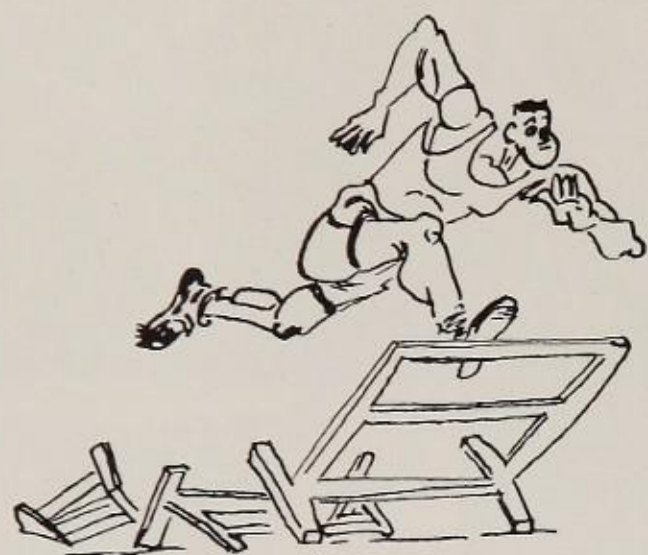

Girls' TRACK and FIELD is a newly developed sport at Oceanside. It requires constant and strenuous practice to attain outstanding achievement in each particular event. It has given the girls an opportunity to increase their physical ability and develop new skills. The girls set school records in sprinting, broad jumping, high jumping, and relays.

Softball

The girls' SOFTBALL team had a fine turnout this year. The girls could be seen on the baseball diamond at home and away games. Enthusiasm was high, and bruises, scratches and scrapes were forgotten in the excitement of play. Success and enjoyment summed up this year's season.

BOYS'

ATHLETICS

This year, the VARSITY CLUB, whose membership was open to all varsity letter winners, was reorganized to form a more effective organization. Under the guidance of its two faculty advisers, Mr. Stephen Dellagatti and Mr. Gerald Loeber, and President Steven Kelban, the club undertook many new projects to enable the athletes to help the school. Some of these pro-

jects included: a bonfire pep rally; a faculty basketball game; a dance-hootenanny; and a fun night featuring competition between the Varsity Club, the Girls' Leader Corps, and the faculty. The other officers, Ira Blumenthal, Craig Perna, and Robert Burkhard, gave indispensable aid in making this year a very successful one.

1963 Soccer Team — Nassau County Champions

The Oceanside High School SOCCER team won the Nassau County Soccer Championship in a 1-0 victory over Wheatly High. The efforts of Coach Arthur Wright successfully led the varsity to the South Shore Championship over Levittown, the Nassau County Championship, and a 14-3 record. His assistant, Mr. Charles Bernardo, coached the junior varsity to an excellent 11-1-1 record.

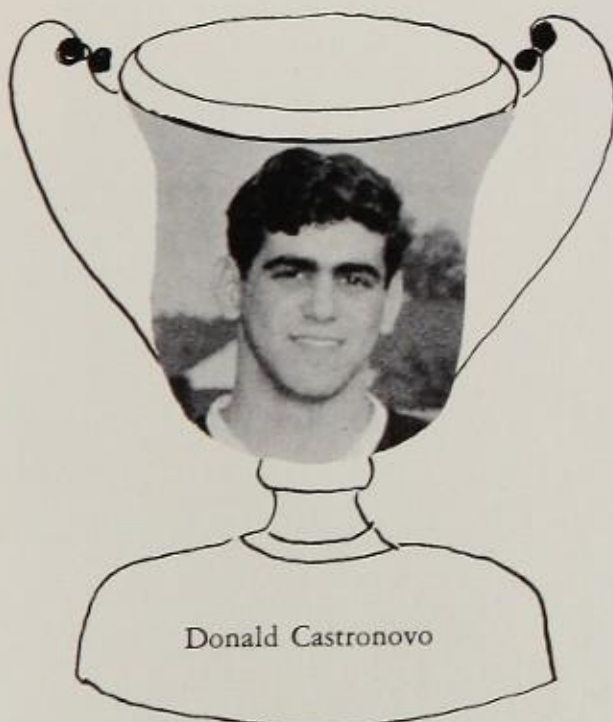

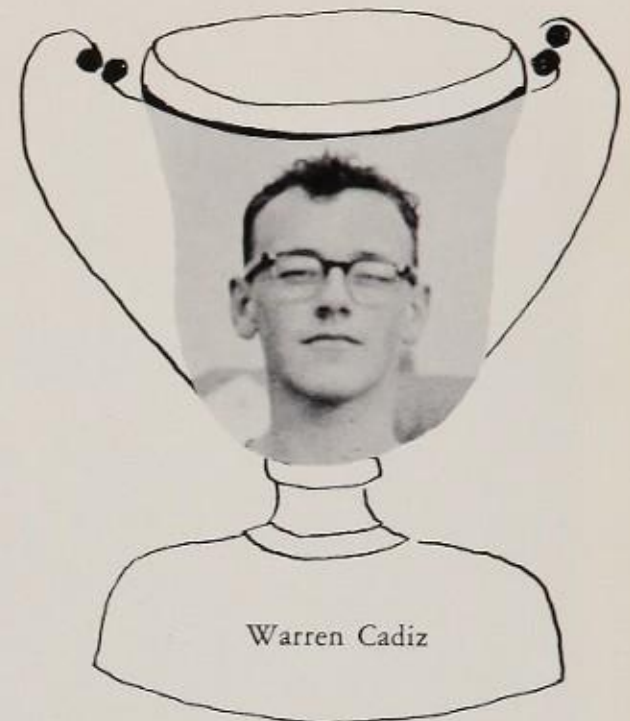

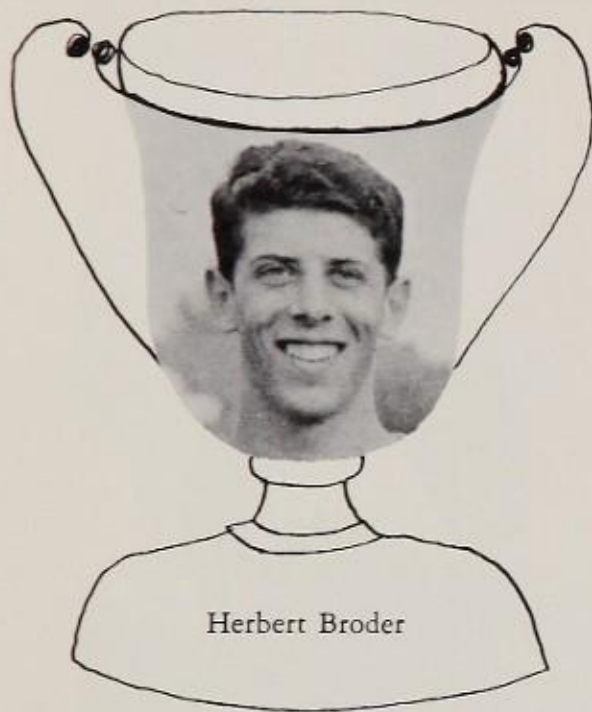

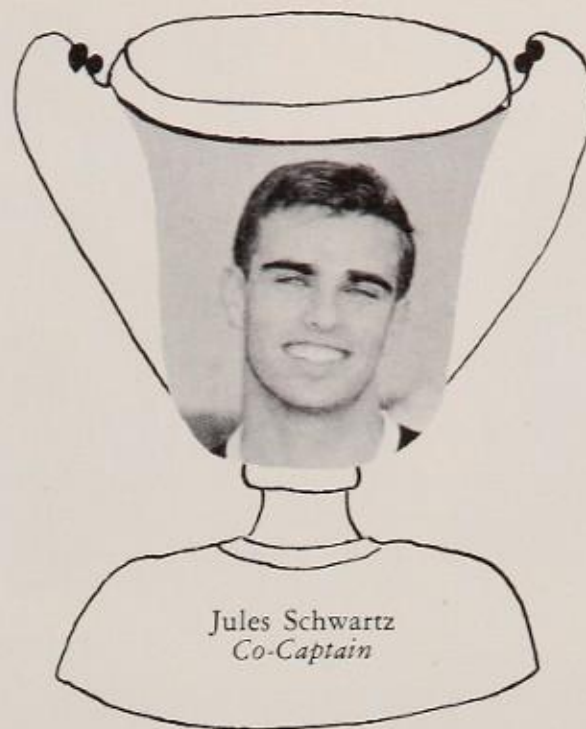

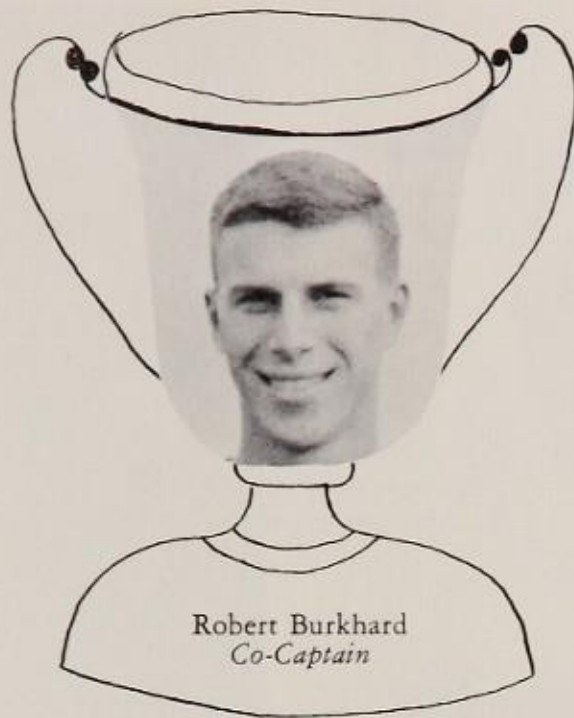

A fast line and outstanding players were responsible for the team's achievements. Co-captains Jules Schwartz

and Bob Burkhard distinguished themselves with Nassau County Officials' awards. Jules was selected All-Division half-back and Bob All-County half-back. Senior starters included Herb Broder, Warren Cadiz, Don Castronovo, Bob Fleishman, Harry Levine, and Tom Magee.

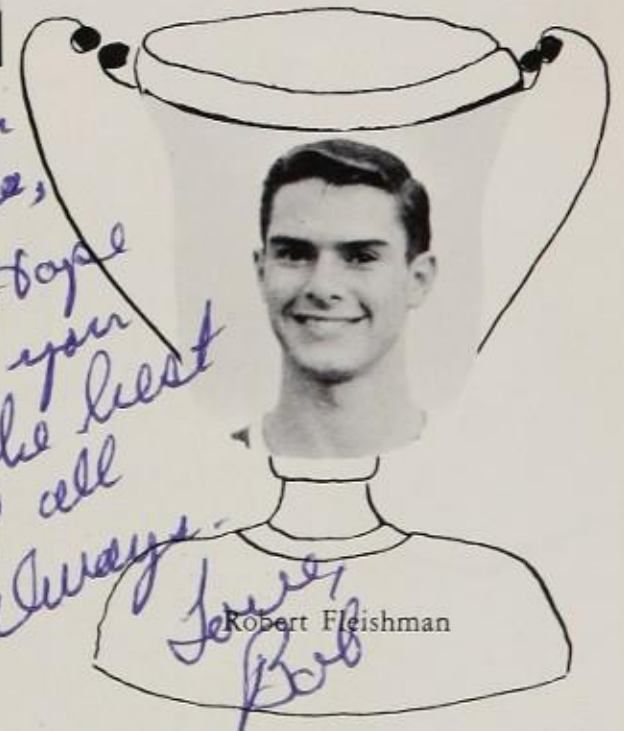

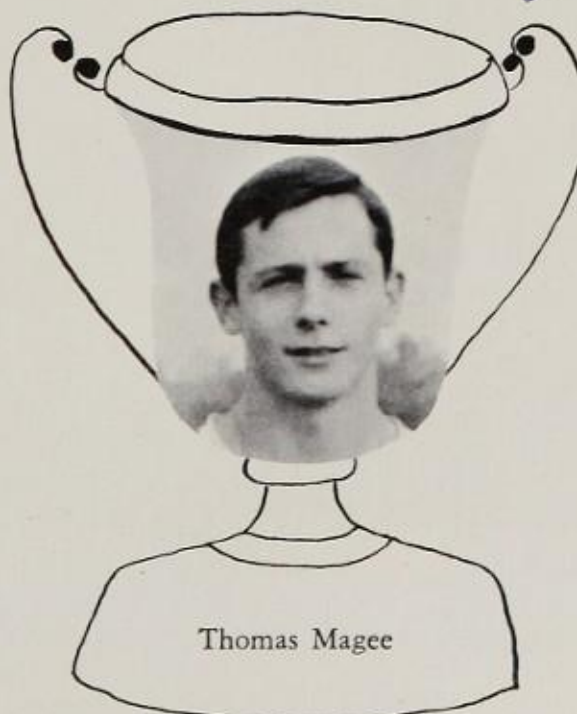

With a fine list of returnees, Coach Wright can look forward to a successful season and perhaps another championship.

Injuries Plagued Sailor Eleven

The 1963 Sailors performed well both as FOOTBALL players and good sportsmen. However, keen competition and numerous injuries prevented the team from making a successful record.

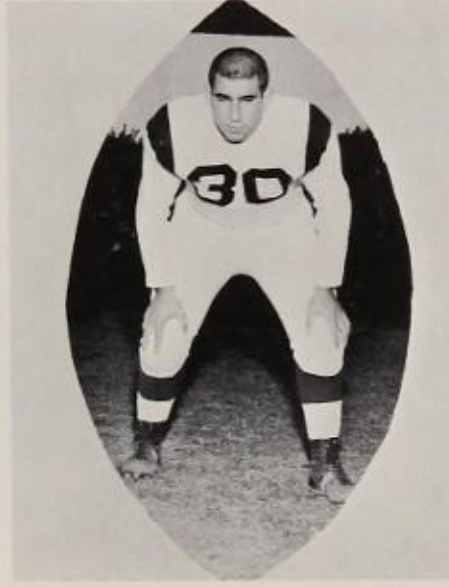

The Oceanside drive and ambition were shown in the victories over Sewanaka and Long Beach, and in the closely fought battles with Berner, Baldwin and Calhoun.

Under the fine coaching of Mr. Steve Delligatti and his assistant, Mr. Roy Kessenich, two players distinguished themselves with South Shore Coaches Association Awards. Captain Jim Levering and Co-captain Bob Sattel were selected All-Section fullback and tackle, respectively.

OHS owes a debt of thanks to many individual players who wholeheartedly supported the team's efforts both in the field and on the bench. Throughout the season, the offensive and defensive lines were bolstered by Bob Sattel, Steve Kelban, and Jim Levering. Other seniors who saw action this year were Tony Abate, Perry Braunstein, Dennis DiGiovanni, Ira Gelber, Jeff Gull, Harold Hart, Jon Hillsberg, Howie Moskow, Joe Sabatino, Rich Schwartz, and Rich Woodward. However, accidents dwindled the Sailors' resources. Returning lettermen Ira Blumenthal, Dan Curley, Ray Harrington, Bill Reid, and Clive Peters were forced to sit out most of the season because of injuries. However, spirit never failed our men and the drive to play well never left them.

Cross Country: Another Successful Season

Once again, Mr. John Hay successfully coached the CROSS COUNTRY team to an excellent season. The "Sailors" compiled a fine 9-3 record. The team finished third in Division I, fourth in the South Shore, and sixth in the County Championship.

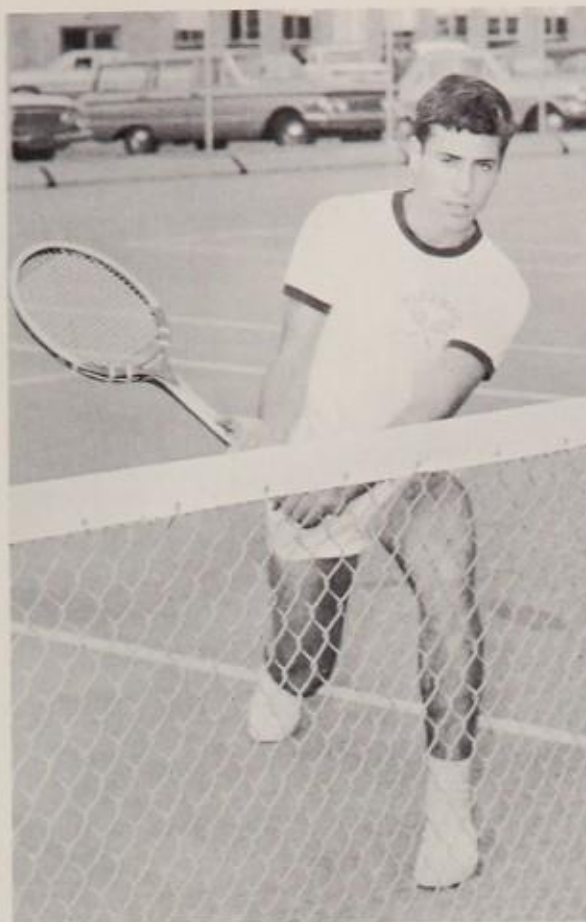

Junior Dan Rosen came in fourth in the South Shores, and team captain Tom Farrish finished tenth. The runners rounding out the top five were Steve Schlaich, Larry Etri, and Jeff Feldman. Other varsity members included Joe Walsh, John Morley and Gordon Beck.

Under the expert coaching of Mr. John Thomassian, the Oceanside TENNIS team set an 8-6 record. A highlight of the season was the 5-0 shut-out over highly-rated Lawrence.

The winning season was made possible by the fine team effort. Marc Novom, an exceptional player, earned

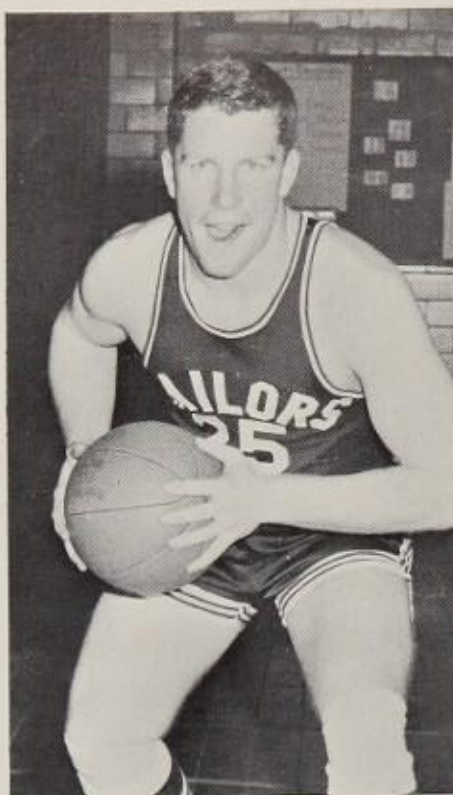

the Most Outstanding Player Award. Members of the team were: third singles — Ira Goldfine, second singles — Lou Rosenberg, and first doubles — Lee Wargo, George Zucker, Rick Schaefer, and Mike Goldstein. Individual effort and co-operative playing characterized the entire season.

Sailors Display Outstanding Attitude and Sportsmanship

Despite their failure to make the county-playoffs, the Sailor BASKETBALL TEAM made a respectable showing by displaying outstanding hustle and desire.

A number of key injuries and illnesses seriously hampered a better showing, record-wise; the Sailors

dropped ten games in the last two minutes of play.

On the positive side, the Sailors were complimented many times by both opposing coaches and referees for their outstanding attitude and display of sportsmanship.

The Junior Varsity closed a successful campaign, winning 14 and losing 5 games.

Gymnasts Excell at County Meet

Tony Tefel excelled at the county meet. He placed third on the side horse to qualify for the states at Syracuse. The team finished sixth in the meet and fourth in the league.

Although this was only the second year the Oceanside High School GYMNASTIC TEAM entered into competition, it proved to be a Sailor strong-point. Under the supervision of Mr. Charles Bernardo, the team participated in six dual meets, a novice meet, a sectional championship meet. The team finished in fourth place with a record of 3-3 and a Nassau County rope-climb record of three point eight (3.8) seconds set by Rod Fisher.

Tony Tefel, represented our section in the state competition in Syracuse by placing 3rd on the side horse in section 8.

The fine rope-climb team of Rod Fisher, Ted Shaw and Tony Tefel had an undefeated season. Fisher and Shaw were novice medal winners, as were Chet Feldman and Carlo Billeci.

On the trampoline, Gary Rubin and Tom Graham were our "1,2-men." Co-captain and high-scorer Chet Feldman was the team's No. 1 man on the long horse and in free calisthenics. On the rings and parallel bars, Carl Belleci proved best. Co-captain Stan Kacherski performed on the high bar. Harvey Wegener was our outstanding tumbler. Bob Binder, Bruce Soluski and Dennis Ruocco were also key competitors in this excellent season.

OHS Trackmen Set Meet Records

Coach Chernock's perennial champs again displayed their prowess and skill by winning the Nassau County Championship, the Intersectional Championship, the Bishop Loughlin Games, and tying for fourth place in the National Invitational Championships.

In addition, to the many outstanding performances by individual Sailors, the primary success of the season was the result of the great balance of the squad and a great TEAM effort. Many school records were broken. Steve Lane broke

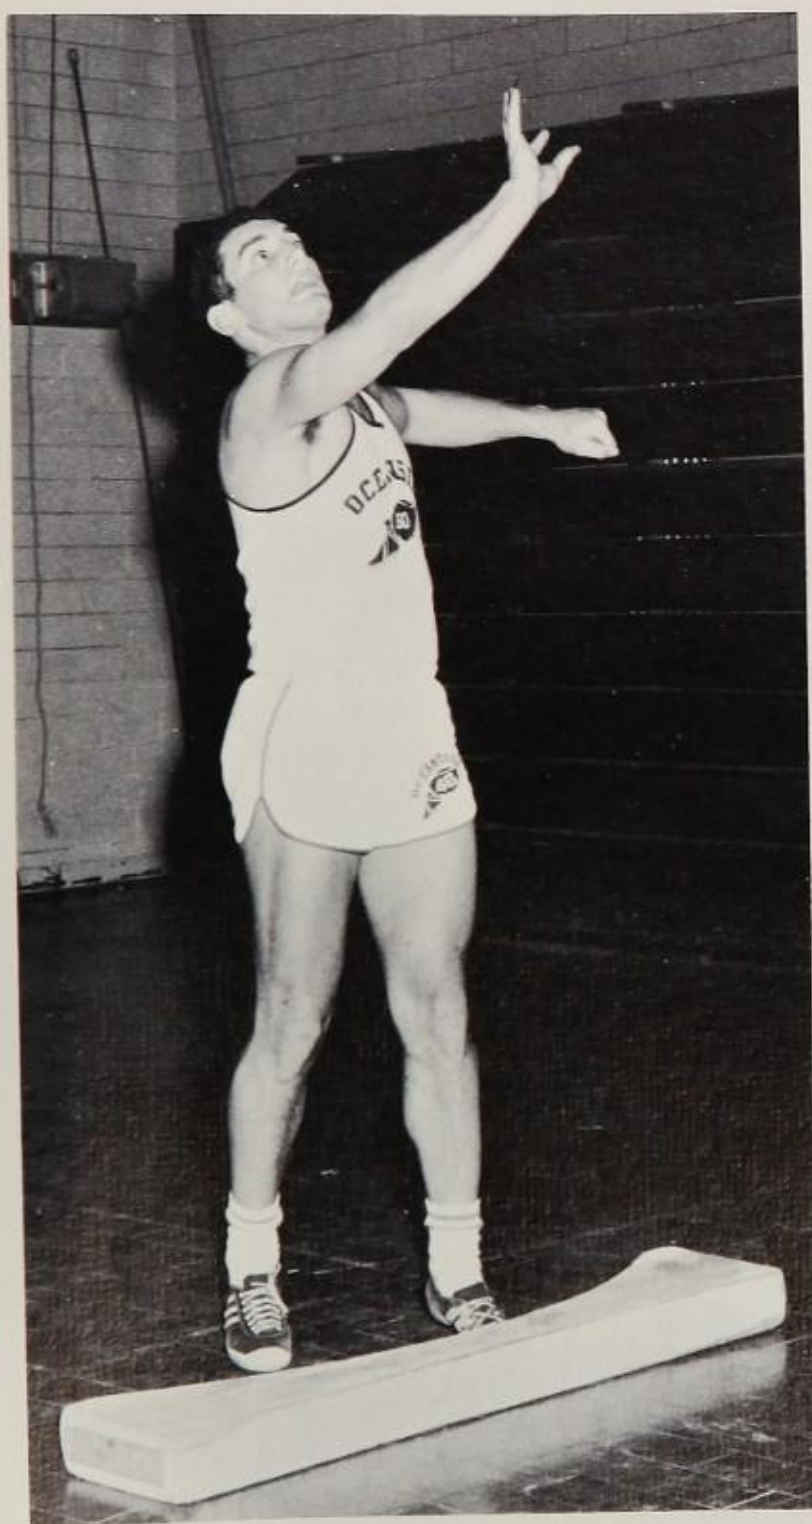

our mile record by running a fast 4:27.1 and set a new 880 mark. Our mile relay team of Herb Broder, Rich Shane, Dan Rosen and Mike Juras came in seventh in the National Meet with a time of 3:29.5. In addition, Dave Klein broke the school shot-put record with a heave of 57 feet, $\frac{3}{4}$ inches to win at the Nationals. Don Castronovo set new standards in the high hurdles and 60 yard dash. Dan Rosen broke the school record for the 1000 and Mike Juras set a new 600 mark. The team thus swept through a highly competitive season with its excellent rating intact.

Grapplers Hold Their Own

The Oceanside WRESTLING team finished the regular season with a 4-6 record against the toughest competition in the county. This year Section I added Mephram and Valley Stream Central to its ranks.

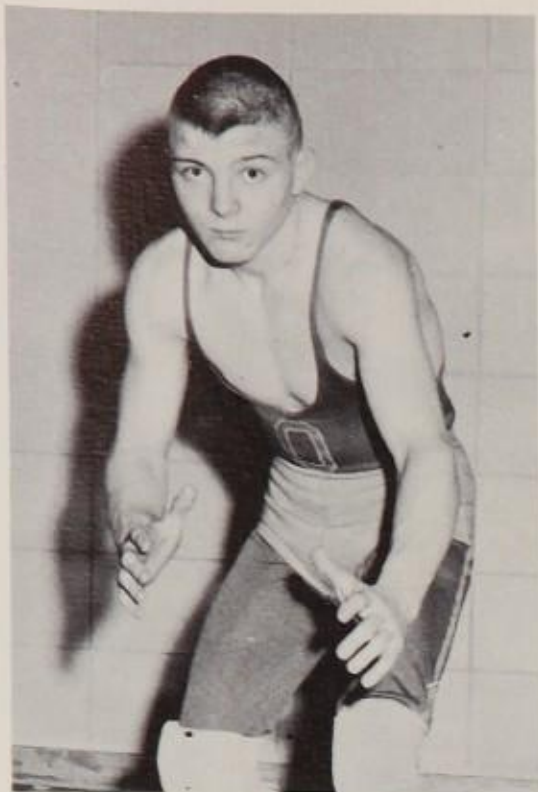

The Sailors' strength seemed to be in the lower weight classes rather than in the upper ones. John Morley added his second straight Section I championship to an undefeated season by placing first in the 106 pound weight class and 2nd in the Nassau County Tournament. Ken Mayer at 141

pounds and Steve Schwartz at 130 pounds placed second and third respectively in their weight classes in the Section I Tournament. Other outstanding contributions during the season were made by Tom Morley, Howie Moskow, and Jon Hillsberg, whose clutch wins enabled the Sailors to defeat East Meadow and Massapequa.

In addition, OHS played host this year to the annual S.S.A.L. wrestling tournament. Seven schools attended this meet which lasted two days. At the culmination of this event, Coach Hay was proud of the Sailor efforts.

Baseball Team Hits Home

Members of the 1964 Sailor BASEBALL team gave outstanding individual performances which added to an already well-balanced line-up. The backbone of the team, veterans of three years, included first baseman Jules Schwartz, second baseman Jim Levering, third baseman Joe Krawchyk, and catcher Bob Sattel. Returning pitcher Pete Dzadzio proved to be a worthy southpaw. Jim Levering, team captain, was selected to play on the All-

Section team for his third consecutive year. Other players on the varsity nine were: shortstop Bob Lascher, and outfielders Carl Castoldi, Michael Metzger, Charlie Olsen, and Steve Kunken. Tom Urbanik handled the managerial duties for the third consecutive year. Well coached by Mr. Plaia, the boys improved their skills and knowledge of the game as the season progressed.

Sailor Stickmen Improve Record

Was it beginners' luck? Or was it skill, enthusiasm, and team effort? Whatever the reason, only four years after its introduction, the OHS LACROSSE team went into competition as an equal with the other power houses in South Shore Section I.

Although few of the members were veterans from last year, the team had the balance essential for scoring. Bob MacLaughlin was Oceanside's mainstay as a defenseman as well as team captain. Rounding out the aggressive defense were Kelly Kelban, Chic Delligatti, and sophomore John

Wallace. At midfield were Ira Blumenthal, Ira Gelber, Jeff Gull, John Hancock, Bob Lenti, and Bill Reed. Ray Harrington, Steve MacDermott, Steve Poleshuk, and Jon Rowbottom skillfully filled the attack positions. Other varsity members included James Collins, Jeff Fine, Dave Gruber, Harold Hart, Jon Hillsberg, Bill Tully, and Pete Wallace.

The Sailor stickmen displayed both dexterity and skill in all competition. Coach Kessenich's boys finished with a much improved season record.

Trackteam Aims For Championship Meets

Victory became a habit with the OHS trackmen. This year's TRACK team continued to outscore their opponents. Outstanding performances by individual boys contributed to team effort. Sparked by High School All-American Hurdler Don Castronovo; National High School Shot-put Champion Dave Klein; Rich Shane, County Indoor Champ at 300 yards; Steve Lane, anchorman, County Indoor Champion in the two mile relay; and outstanding quarter miler Herb Broder, the track team proved tremendous once again.

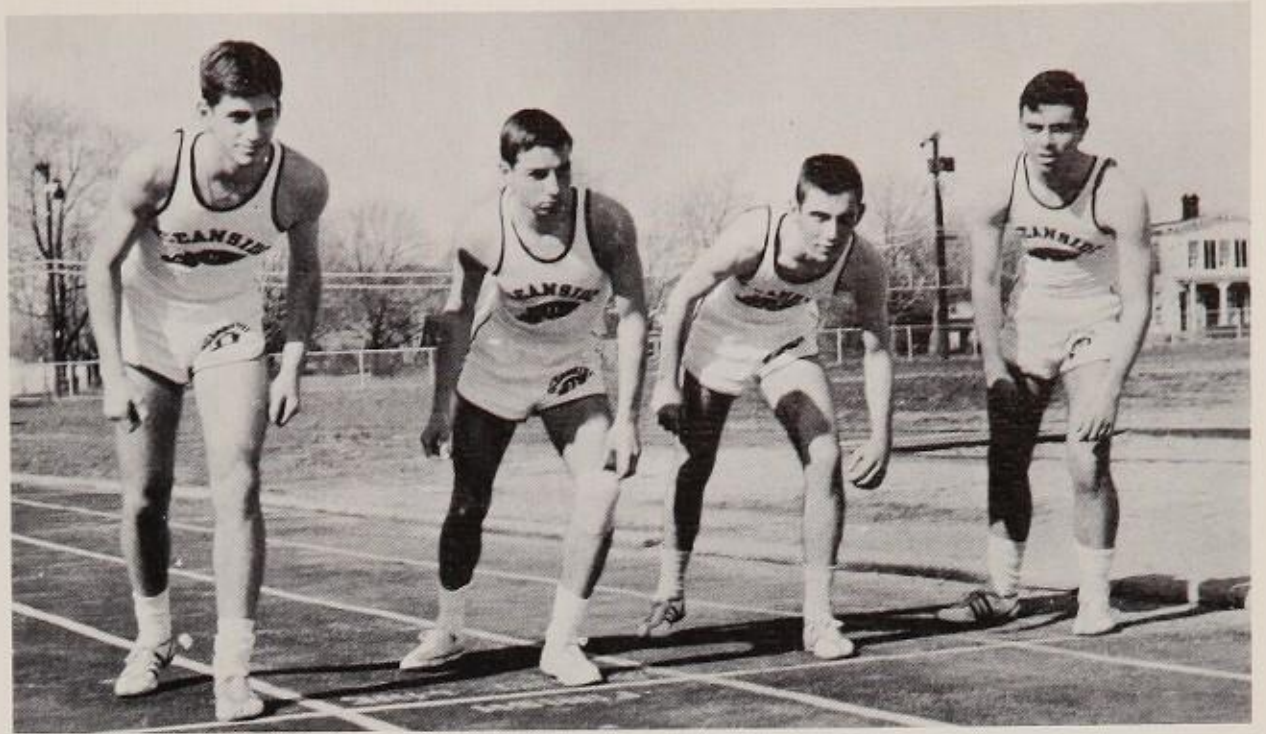

The Sailors achieved an important victory by defeating White Plains, the team referred to as the best in the East. With the breaking of records and many exceptional performances, Coach Roy Chernock's trackmen again distinguished themselves.

J.V. TRACK TEAM — *First Row:* D. Contessa, B. Frey, D. Bianco, C. Peterson, C. Kramer, M. Rindner, M. Silverberg, B. Farrish, F. Frey, D. Marcus, H. Robbins, F. Brozowski, D. Hagen; *Second Row:* B. Golf Team Gains Experience

GOLF TEAM: L. Simon, M. Lubin, J. Freed, K. Makin, B. McCumiskey.

The 1964 GOLF team, under Coach Storti, improved greatly in form and skill this season. With only three players back from last year, the boys were relatively inexperienced, but they did not lack ability. The team was composed of five juniors and six sophomores. Bill McCumiskey, the mainstay of the team, led in scoring. Jay Freed proved to be an excellent captain. All practices and home matches were held at Middle Bay County Club. Next year looks promising with a team of accomplished veterans.

THE BUILDERS

Henry Wadsworth Longfellow

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.
Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest
For the structure that we raise,
Time is with materials filled;
Our to-days and yesterdays
Are the blocks with which we build.
Truly shape and fashion these;
Leave no yawning gaps between,
Think not, because no man sees,
Such things will remain unseen.
In the elder days of Art,
Builders wrought with greatest care
Each minute and unseen part;
For the Gods see everywhere.
Let us do our work as well,
Both the unseen and the seen;
Make the house where Gods may dwell,
Beautiful, entire, and clean.
Else our lives are incomplete,
Standing in these walls of Time,
Broken stairways, where the feet
Stumble as they seek to climb.
Build to-day, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall to-morrow find its place.
Thus alone can we attain
To those turrets, where the eye
Sees the world as one vast plain,
And one boundless reach of sky.
